

BAB I

PENDAHULUAN

1.1. Latar Belakang

Latar belakang latar belakang latar belakang latar belakang latar latar belakang belakang latar belakang latar belakang latar belakang latar belakang latar belakang belakang latar belakang latar belakang latar belakang latar belakang latar belakang latar belakang.

Latar belakang latar belakang latar belakang latar belakang latar latar belakang belakang latar belakang latar belakang latar belakang latar belakang latar belakang latar belakang latar belakang belakang latar belakang latar belakang latar belakang.

Latar belakang latar belakang latar belakang latar belakang latar latar belakang belakang latar belakang latar belakang latar belakang latar belakang latar belakang latar belakang latar belakang belakang latar belakang latar belakang latar belakang.

Latar belakang latar belakang latar belakang latar belakang latar latar belakang belakang latar belakang latar belakang latar belakang latar belakang latar belakang latar belakang latar belakang belakang latar belakang latar belakang latar belakang.

Latar belakang latar belakang latar belakang latar belakang latar latar belakang belakang latar belakang latar belakang latar belakang latar belakang latar belakang latar belakang latar belakang.

BAB II

PEMBAHASAN

2.1. Landasan Teori

2.1.1. Program

Program program program program program program program program
program program program program program program program program
program program program program program program program program.

Menurut Xxxxxxx (2009:10) program adalah “program program program
program program program program program program program program
program program program program program”.

Sedangkan Xxxxxxxx dalam Zzzzzzz (2009:20) dikatakan bahwa program
adalah:

Program program program program program program program program
program program program program program program program program
program program program program program program program program
program program program program program program program program
program program program program program program program program.

Program program program program program program program program
program program program program program program program program
program program program program program program program program.

Program program program program program program program program
program program program program program program program, terdiri dari:

1. Program Program program program program program program program program program program program program program program program, yaitu:
 - a. Program-program program program program program program Program program program program program program program X
 - b. Program-program program program program program program XX, adalah:
 - 1) Program-program program program program program program
 - 2) Program program program program program program program program program program, sebagai berikut:
 - a) Program program program program program program
 - b) Program program program program program
2. Program program program program program program program program program program program program.

Program program program program program program program program Program program program program program program program Program program program program program program program program program program program program program program dijelaskan pada tabel berikut ini.

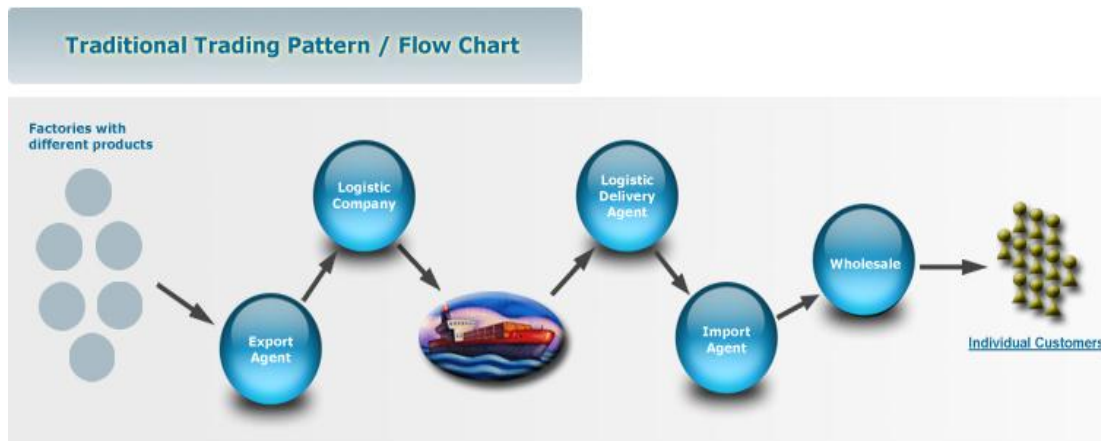

Tabel II.1

Program-program XXXX

No	XXX	XXXX	XXXXX	XXXXXX
