**MY JOKE'S FUNNIER**

***Read this dialogue!***

Luke : Can you pass me the cornflakes, please, Daniel?

Charlie : How many elephants can you get in a Volkswagen?

Luke : Oh, no! Not another elephant joke!

Daniel : Go on. Tell us.

Charlie : two in the front and two in the back

Daniel : I know a better one. Why did the elephant put on a red T-Shirt?

Charlie : I think my joke's funnier than yours

Luke : Shut up, you two! I'm trying to do this quiz.

Charlie : What quiz?

Luke : there's a quiz on the back of this cornflakes packet.

I bet you can't answer this one, Charlie. Which is the longest river in the world: the Nile, Mississippi or the Amazon?
